

On Monday June 4th, 2012 the Knights of Columbus Council 4742 erected this bench and tables at the ST. ALBERT HERITAGE GARDEN site for the enjoyment of everyone who passes that way. This outdoor furniture was constructed by Gerald and Rolande Turgeon; donated to the Parish, refurbished by Richard LeBlanc and erected by a group of dedicated brothers: Danny Boisvert, Bob McCormick, Terry Sperling, Leon Husereau, Richard LeBlanc, Gerry Woodlock, Tony Csilics and Gerald Turgeon. Ron Van Halst donated the stainless steel legs.

*Another community project by Knights in Action*
